

TeachSurfing

is seeking a

# JAVA DEVELOPER

to join a knowledge sharing revolution

Part-time Employment | Freelancer Position

## Organization description

TeachSurfing is a social enterprise founded in 2015 in Berlin, Germany. Our vision is to bridge cultural gaps and enrich education by bringing people together through knowledge-sharing events. The goal is to connect volunteers with host organizations to organize informal educational activities such as workshops. We developed our platform ([www.teachsurfing.org](http://www.teachsurfing.org)) to serve as a tool to enable both sides to connect, to prepare and to organize quality workshops. Currently, the TeachSurfing online platform has over 3200 users and 260 organizations from 160 countries. Additionally we offer our platform as a white-label matching platform solution to other network organisations.

## Job description

We are looking for an experienced java developer to work with us on the further development of our online platform. The platform will be expanded with recommendation, collaboration and administration features as well as e-learning features. We are a small team dedicated to creating lasting change in the educational world, we are looking for a strong team player who is motivated to create social impact with their expertise.

## Your responsibilities and tasks:

- Design and develop new features on our platform [www.teachsurfing.org](http://www.teachsurfing.org)
- Transfer the project to a configurable and high quality white label product
- Develop automated matching/recommendation algorithms
- Refactor and upgrade of Spring

### Qualifications we are looking for:

- Good experience in J2EE, Java Persistence API, Spring framework, MySQL, REST API
- Experience working with Docker, Amazon Web Services, Microservices, and Continuous Integration and Development (CI/CD) using Jenkins is a plus
- Experience developing/configuring WordPress is nice to have
- Fluent in communicating in German or English

### What you can look forward to:

- Flexible working hours and location, with the possibility to work on-site with the team in Berlin, Paris or Hamburg
- A supportive, enthusiastic and trusting atmosphere in our international team
- Create social impact with your work
- A fair salary within the frame of the social economy
- Gain experience working in a social startup

### Scope of work & type of employment:

We offer a part-time position for a period of 6 months with the possibility to extend the employment after this period. The contract options are freelancing or employment.

### Interested?

Please submit your CV and cover letter to [jobs@teachsurfing.org](mailto:jobs@teachsurfing.org).

We encourage everyone regardless of age, gender, identity, race, ethnicity, nationality, religion, sexual orientation and disability to apply for this position. We are a diverse team with an inclusive approach.
