

TeachSurfing

is seeking a

WEB DESIGNER

to join a knowledge sharing revolution

Part-time, Employment | Freelancer position

Organization description

TeachSurfing is a social startup founded in 2015 in Berlin, Germany. Our vision is to bridge cultural gaps and enrich education by bringing people together through knowledge-sharing events. The goal is to connect volunteers with host organizations to organize informal educational activities such as workshops. We developed our platform (www.teachsurfing.org) to serve as a tool to enable both sides to connect, to prepare and to organize quality workshops. Currently, the TeachSurfing online platform has over 2900 users and 240 organizations.

Job description

We are looking for a web designer (UI designer) to work with us on implementing a new UI for our online platform and to support us in designing new features. The platform will be expanded with an e-learning, automated matching and administration features. We are a small team dedicated to creating lasting change in the educational world, we are looking for a strong team player who's motivated to create social impact with their expertise.

Qualifications we are looking for:

- Experience in responsive web design (UI design) (wireframes, user workflows)
- Basic experience in graphic design (design graphical elements in the website)
- Creative and open minded
- Experience with UX design is a plus

What you can look forward to:

- Flexible working hours and location, with the possibility to work on-site with the team in Berlin or Hamburg
- A supportive, enthusiastic and trusting atmosphere in our international team
- A place to work and community lunches in our coworking space in Berlin
- Create social impact with your work
- A fair salary within the frame of the social economy
- Gain experience working in a social startup

Scope of work & type of employment:

We offer a part-time position for a period of 2-3 months with the possibility to extend the employment after this period. The contract options are freelancing or employment.

Interested?

Please submit your CV and cover letter to jobs@teachsurfing.org.

We encourage everyone regardless of age, gender, identity, race, ethnicity, nationality, religion, sexual orientation and disability to apply for this position. We are a diverse team with an inclusive approach.
